About Holland Bloorview

Holland Bloorview is Canada's largest children's rehabilitation hospital focused on improving the lives of kids with disabilities. We provide a mix of services, all under one roof, not offered anywhere else in Ontario. Holland Bloorview is a global leader in applied research, teaching and learning, and client and family centred care. Our vision is to create the most meaningful and healthy futures for all children, youth and families.

The **Bloorview Research Institute** is poised to lead the world in childhood disability research. With fourteen years of growth behind us, a team of award-winning scientists, staff and trainees, we are ready to unlock the potential of new research. To drive even bolder discoveries, greater dissemination of evidence and true global impact, we have launched a \$25M fundraising campaign to grow the Bloorview Research Institute.

Your investment in Holland Bloorview will transform the lives of kids with disabilities in Canada and worldwide
