

About Holland Bloorview Kids Rehabilitation Hospital

Holland Bloorview Kids Rehabilitation Hospital is Canada's largest children's rehabilitation hospital focused on improving the lives of kids with disabilities.

Holland Bloorview is a global leader in applied research, teaching and learning, and client and family centred care.

We are a provincial resource transforming care for children with cerebral palsy, acquired brain injury including concussion, muscular dystrophy, amputation, epilepsy, spina bifida, arthritis, cleft-lip and palate, autism and other physical and developmental disabilities.

Our vision is to create a world of possibility for kids with disability.

“ This is so incredible and useful.”

“ I can't wait to get rid of this binder.”

“ Reviewing my visit history reminded me of how much Holland Bloorview has been a part of our lives. We're so grateful!”

Your health-care records belong to you.

connect2care empowers clients and families to take an active role in managing their health care and make informed decisions.

Information when and where you need it.

Access connect2care when you need it from anywhere you have online access – at home, school, on vacation or from another medical office. You can manage your care 24 hours a day, seven days a week.

Always have the most up-to-date information.

Accessing your information online, rather than carrying a paper file, ensures that you always have the most accurate and up-to-date information at your fingertips.

Where does my health information come from?

All of the information in the portal comes from your Holland Bloorview Electronic Health Record.

Who has access to the portal?

Only Holland Bloorview clinicians, clients and their parents or legal guardians have access to connect2care.

Will my privacy be protected?

Yes. We are committed to protecting your personal information. We are guided by the Personal Health Information Protection Act of Ontario so connect2care has privacy and security safeguards in place. It is very important that you never share your password and log on information with anyone else.

Will I see information from other health-care providers?

No. connect2care only contains information on appointments and services that take place at Holland Bloorview.

How will connect2care improve how I communicate with my health-care provider?

Send and receive messages with your health-care provider between visits using the messaging feature in connect2care.

What if I have technical problems?

Contact us at 416-425-6220 ext. 3881 or connect2care@hollandbloorview.ca at any time for technical issues with using the portal. We will get back to you within two business days.
